"My daughter has now participated in the Kids Instructional League for 4 years now. It is a fantastic program! Dynasty Lanes is a very welcoming and wonderful bowling facility! The coaches do an amazing job with all the youth that participate in the league. They are so friendly, encouraging and always willing to help each kid. It has been a great experience for my daughter. It is a great place for every child to have fun, learn about the sport of bowling, and make new friends" __Stephanie Miller

"My son absolutely LOVES kids bowling league. He loves the game as well as the friends he's made. The coaches are so awesome and really take the time to work with the kids to help better themselves. I am so happy that we are a part of this program." __Melissa Phillips

"Hunter has thoroughly enjoyed the Saturday morning kids league for the past 8 years. He went from not knowing how to bowl at all to having a very successful high school career- even making MVP for his team. Lew and Crew actually teach the kids how to bowl, help them improve, and foster a love for the sport, all while having a great time. Thank you, Dynasty Lanes! We love Saturday morning kids league.
